BikeLids Are Here!

Personal bike lockers, called BikeLids, are now available to rent at the Spring Street Garage, Greenville County Square, and the Greenlink Transfer Center. Availability is limited, so don't miss your chance to have a secure, protected place to store your bike downtown.

A six month rental is only \$50 and lockers will be rented on a first come, first served basis, so contact Greenlink today at 467-2700 or visit www.ridegreenlink.com for more info.
